

# ONE FAITH

# ONE HUMANITY

# ONE EMPIRE

Today, the PRISM Network has found Integrity. Integrity to stand with Humanity in this struggle to correct that which has gone wrong. Integrity to stand with the Empire and its rightful Emperox, who is the Messiah. Let us accept their penance.

**We accept your penance.**

They went through dark times, and were enveloped in a struggle beyond what they saw coming. A struggle back to the path of Virtue. The inhabitants of Echo have found their way back and showed their Wisdom. Let us applaud their Wisdom.

**We applaud your Wisdom.**

Though the errors of their ways blinded the PRISM network, they kept steadfast in some aspects of their duty to the Empire. A weaker soul would have rejected the Empire outright. Let us bless their Fortitude, for their networks were never closed to us.

**We bless your Fortitude.**

But let us not forget their struggle, and the struggle of all of those whose faith is also weak. Even in moments of weakness, let us strive to be not stray from the path as they did. Let us stay strong in our faith.

**Our strength is the Faith.**

Look inwards, and see yourself, where Virtue stands and where Vice lurks. When parts of us grow corrupt, we must cut them away to stop their spread. Let us recognise Justice as the Network cleanses itself.

**We recognise your Justice.**

Look outwards, to the new challenges facing you. For even when you free yourself from Vice, you must watch over your equals. Guide those who need to find the way. Citizens of Echo, let us observe your Diligence.

**We observe your Diligence.**

Look forward, siblings! Look forward like the PRISM Network does. Embrace their lesson and hope to learn from this. Those who stay on the right path always see Hope where others despair. Let us see hope in their Future.

**We see Hope in your Future.**

## STATEMENT OF INTENT

This document is to show the High Churches acceptance of PRISM's Recantation Statement and to highlight the Fiction around the end of Hostilities with PRISM. The High Church of Messiah-as-Emperor does not wish to break apart the current bonds or functions of any of the aforementioned factions, but rather would like to play our part within this wonderful experiment that is Acheron Rho. If there are any questions or concerns, please contact your local High Church representative.
