

ONE FAITH

ONE HUMANITY

ONE EMPIRE

A Sermon For Those Who Do Not Listen

Twenty-Three years ago, the noble House Crux unveiled the plot of the Cygnus traitors against our Empire, against Humanity, and against God.

To whom did House Crux turn? Was it to the Emperor, the so called 'Betrayed of Humanity'? Was it to Imperial Law?

With what Authority did House Crux and the Nine other Noble Houses - Eight of whom have rejected Propriety to denounce the High Church on this matter - wage war against Cygnus?

Is it legal to destroy the homeworld of a Noble House? Is it legal to kill and slaughter all the members of a Noble House? Very clearly not. So then, under what authority were these actions taken?

It is under the authority of the High Church that Cygnus were Excommunicated and the acts against them were made legal.

It is under the authority of God that Gats was purified.

It is under the authority of God that Gats shall remain untouched by those who would repeat the mistakes of the unvirtuous.

God is Law.

STATEMENT OF INTENT

This document is not to have any out of character (OC) mechanical effect on the game. It is strictly to respond to accusations made around the legality of Gats.
