

## MIANSHA 3200: MORE MEETINGS HELD THAN EVER BEFORE

*It has been a busy time for the High Church this Miansha.*

*Formal contemplations amongst the upper echelons usually undertaken during a single week - to minimise day-to-day disruptions - continue deep into the night.*

*Nearly every Exarch, Hierophant, High Priest and Palatinus has extended their stay on Andophael indefinitely.*

*It is a special year, it seems.*

*A year with much to contemplate, and much to discuss.*

*We thank you, Children of the Empire, for your continued patience whilst Wisdom and Propriety take their rightful place at the table.*

*It is a special year.*

*If it is the will of God, we will soon find out why.*

THIS STATEMENT HAS BEEN ISSUED BY HIEROPHANT  
ANDELO KOPAC ON BEHALF OF THE HIGH CHURCH
