## A REMINDER OF PROPRIETY BY EXARCH GIDEON ANDERIDA

Life in this Sector has changed much in the years since my ascension to an Exarch of the High Church. My whole life, I have relied on the stability of the Empire and the strength of its people. I have sat upon my chair, watching my Noble Cousins, grow and mature. They made choices and I smiled.

Today, I do not smile. There have been many changes to our beautiful Empire as of late and I believe now that we must hold strong. For our Family and for our Houses. There have been wide-spread reports of improper behaviour allowed and encouraged by the Noble Houses; Vela and Fornax.

News travels quickly among the Core Worlds and we have all heard the lack of Wisdom of the Nobility. The Truth of the Universe is hidden beneath the luxury of modern convenience and decadence. It is only natural that the Noble Houses will mix with those that call themselves Freemen, however we must remember our place in the Great Chain.

Our Noble Cousins are courting Corporates and Criminals like common Peddlers on the street. We must remember our place as Divine Stewards over our given fields. Fornax-made ships allows Humanity's God-given rulership over the Sector. Vela maps allow us to see where we have come from while never losing sight of where we shall go.

If only you could see what I see. Beautiful, intelligent and strong Nobles; too often lowering themselves from their rightful place to the levels of those measured lower by their actions of their previous incarnations.

We must as an Empire and a Species, remember our place. God has given us these fine tools to craft the society that we wish to live in, we took our birthright from those without a soul. Do not lose yours to the same.

I ask, as a humble servant of God that my Noble Cousins sit and think on the sacred texts, even a cursory glance will tell you what you must do. Seek not mortal gainings, look to your spirits and your mandated Allies for guidance and you will see what is right.

You will be weighed. You will be measured. Pray that you are not found wanting.

Signed This Day on Andophael by;

***Exarch Gideon Anderida***
