

ONE FAITH

ONE HUMANITY

ONE EMPIRE

## **Sinners In The Hands Of A Merciful God**

From the Office of High Priest Meinrad Spire

Endorsed by Exarch Purist Pelax

The child gazes upon the sector, starry-eyed, yet the Church does not stop them, for youth is a gift from God.

The child believes in odd practices, unorthodox ideas, yet the Church does not stop them, for is it not proclaimed that Faith is precious?

A good parent would discipline their child in such cases so that lessons might not be forgotten - a better parent would hold their child close with loving care, to stop them from wandering so far away from home.

It is the fault of the Church that the child has flown so far and so recklessly. It is the fault, a grievous fault, that youth has been corrupted.

Humanity is the grace of God, gifted to the stars of the night sky. Yes, to err is to be human, but to err is a chance to invite the love of the Most Holy into one's life. The child, misbegotten in their beliefs, has refused such divine forgiveness.

The path has not been followed.

The road to salvation lies unkempt.

Propriety has lain fallow, yet the Sector shall be reminded of it.

### **STATEMENT OF INTENT**

This document is not to have any out of character (OC) mechanical effect on the game, it is strictly to remark on the CHR's seizure of Imperial Prime. The High Church of Messiah-as-Emperor does not wish to break apart the current bonds or functions of any of the aforementioned factions, but rather would like to play our part within this wonderful experiment that is Acheron Rho. If there are any questions or concerns, please contact your local High Church representative.
