

The 9th Virtue Charitable Trust: CLS Special Dispensation

By High Priest Callixtus Pius

Endorsed by Hierophant Andelo Kopac

The 9th Virtue Charitable Trust has examined the actions of the Ternen family, under the headship of High Takumi Serpens Ternen Jeremiah. We have found them to have been lacking in virtue. As a result, a special dispensation has been granted to the Lawyers of the Yakiyan Commission for Legal Support.

One of the Virtues to which we hold dear is that of Diligence. The Serpens Ternen Family have allowed a clear lack of this Virtue to guide their actions in regards the managing of their factories in Cloudgarden district of Ophai.

God gave the responsibility and authority to the Nobles of the Empire to rule over its functions and its people. To manage them well. When these duties are waylaid and forgotten, we draw away from the divine. We urge the High Takumi to listen to the voices of the people of whom they are responsible, namely the CLS who are representing those affected.

We Hope that both the CLS and The Serpens Ternen Family can come to an agreement showing of Propriety and Justice in this manner, that we may be granted favour by the Divine for acting Virtuously.

Ten Blessings upon the Empire and its People

STATEMENT OF INTENT

This document is not to have any out of character (OOC) mechanical effect on the game

It is strictly to create an interesting In-Character story between the UPC, The High Church, and House Serpens.

The High Church of Messiah-as-Emperor does not wish to break apart the current bonds or functions of any of the aforementioned factions, but rather would like to play our part within this wonderful experiment that is Acheron Rho. If there are any questions or concerns, please contact your local High Church representative.
