

# Children of the Empire

*This missive from the Council of Exarchs is to be spread across the Empire. All who would declare themselves faithful believers of God will declare this message to anyone who will listen and shall receive a blessing.*

Faith is above all.

Some in the Empire are led to seek elevation for the creation of God that is not Human.

This is a misguided Faith and yet, it is Faith. They seek to approach God. Even if the path they walk is the wrong one, that is to be respected.

God weeps for each of their Lost Sheep. We urge them to return to the True Path of Virtue.

Those who harm a worshiper of God will have that harm repaid. Justice belongs to God.

***I am a loving God. I well know the thoughts I am thinking towards you. Not of calamity, but of peace.***
