

Never let your ambition outrun your charity.
The former is but human, the latter is divine.

The High Church of Messiah-as-Emperor has been at the forefront of charitable effort within Acheron Rho for millennia.

From individual acts of kindness to corporate-scale humanitarian endeavours, we have always been able to provide spiritual guidance to those looking to make a difference.

Now, they will be able to look to us for financial support as well.

The Ninth Virtue Charitable Trust will be dedicated to supporting ideas, projects and initiatives that drive the sector forward.
